Annual Class Retreats To Begin Late This Month

Rev. John P. Crowley, S.S.E., and Rev. Edward F. Conlin, S.S.E., will conduct the student retreats this year. The retreats are scheduled for the week-ends of February 28, March 7, 14, and 21.

NEW SYSTEM

The Freshmen Class will make its retreat on the February 28 weekend and the other classes will follow in order on the successive weekends. This is a departure from previous years when the entire student body made their retreats together on three successive days. This program of retreats was arranged by the Student-Faculty Committee of last year in order to provide a Mid-Winter Holiday.

FATHER CROWLEY

Father Crowley was ordained in 1954 and that year was assigned to the faculty of Saint Michael's College. He remained at the College for one year and since that time has been the Secretary to the Superior General, *Very Reverend J.T. Purtill, S.S.E.* Fr. Crowley is a graduate of Saint Michael's College and a veteran of service in the United States Navy. He also spent one year in France attending the University of Grenoble after his graduation from Saint Michael's College.

Rev. E.F. Conlin, SSE

FATHER CONLIN

Father Conlin is at present a Vocational Director for the Society of Saint Edmund for the states of Vermont, New Hampshire, Maine and Massachusetts. His work entials the meeting with and speaking to college and high school students, CYO organizations and vocational clubs in regards to vocations. He has been assigned in the past to the Negro Missions in the South and also to Saint Edmund's Juniorate in Swanton, Vermont.

Further information as to which of the two priests will give the respective retreats will be released in the next issue of the MICHAELMAN, on Feb. 28.

Winter Issue Of Lance Set For Feb. 20

Coming-out date for the Winter issue of the *Lance* has been tentatively set for Feb. 20. Bill Willig, '58, is editor of the college literary publication.

According to Willig, "the quality of the writing is not comparable to the last issue, although a few people who wrote for the last one did improve their writing in this issue." Willig also mentioned that he would like to see "more interest in writing in general." One of the more notable pieces to appear will be an editorial by Robert C. Spencer on *"Bull Session Quotient."*

ST.MICHAEL'S PLANS PARENTS WEEKEND

For the 1st time in the history of St. Michael's the College is putting on a Parent's Weekend. The weekend is to be held May *10th* and *11th* on campus and it is under the supervision of Rev. Edward Leary, S.S.E. It will be held in conjunction with the annual Spring Military Review.

LECTURES

The weekend is going to be a very informal affair for the parents and will begin at 9:00 Saturday morning with three ten minute lectures by Academic Dean, Fr. Dupont, Dean of Men, Fr. Coombs, and Col. Bondurant, head of the Air Force ROTC detachment at St. Michael's.

CLASS-ROOM VISITS

After these lectures the parents will visit the classes, which will be in session, in order to see how classes are conducted. This open house will last until 12:30. Then at 4:00 there will be a Parents-Faculty Tea in the Alumni Lounge. To conclude the day, there will be a performance put on by the *Knightlight's* cast in Austin Hall at 8:30.

Sunday there will be a solemn High Mass in Austin Hall celebrated by our President, Very Reverend Francis Moriarty, S.S.E., who will give a sermon to the parents. The Mass will be said for the intentions of our parents.

ROTC REVIEW

Sunday afternoon the Military Review will be held. The Drill Team, New England Champions, an exhibition and awards will be presented to the deserving cadets.

Father Leary has said that; "The purpose behind this program is to show the parents that the faculty shares with them the problems, joys, and sufferings of its students".

14 Seniors Named To Who's Who

Seniors named to Who's Who are: First row; L to R - P. Ruselowski, J. Hagerty, J. Munroe, E. Cashman, D. Villoni, G. Latimer. Second row: J. Steele, J. Haley, J. Fortin, W. Willig, W. Gorman, J. Lee, J. Breagy. Missing, K. Dwyer.

Fourteen seniors were chosen to represent St. Michael's College in the annual "Who's Who Among Students in American Colleges and Universities," 1957-58. This group was selected by the four Senior Class officers and four Student Council representatives.

FOURTEEN CANDIDATES

Fourteen nominations were submitted to "Who's Who" and fourteen were accepted. Each of the officers and representatives to the Student Council voted on the candidates privately and indepedently. Nominees were selected on the basis of unselfish material and spiritual contribution to the college and the class of 1958 and the college.

JOSEPH ROBERT LEE, JR.

Lee was elected as president of the Student Council this year after being representative since his freshman days. Presently a Crown & Sword Society member, he served as president of his class as a sophomore. In that year, Joe was in the Sabre Air Command and is presently in the Arnold Air Society. He was recently selected as a Distinguished Military Cadet Officer. Joe is also helping to put out the '58 *Shield*. A History

Council Moderator Chides Poor Outing Club Weekend Planning

by James B. Canavan

A merciless attack on the recent Winter Carnival by Student Council moderator, Rev. James E. Coombs, provided the most notable action of last Tuesday night's meeting. Berating the Outing Club for a quarter of an hour on lack of proper planning and failure to accept "mature advice", Fr. Coombs unleashed a verbal barrage against activities which left "insult" and "bad taste".

The adverse points made by the moderator centered on the following phases of the weekend:

1.) The services of the Michaelwives had been enlisted for a reception on Friday afternoon from 3-5. *Not one single person attended.* The net loss was $70 to the dining hall and, justifiably, the future enthusiastic services of the Michaelwives.

2.) The buffet following the reception had been prepared for 300 persons. Only 179 meals were served. The dining hall again suffered the loss.

3.) A President's Dinner scheduled for 6:00 P.M. Saturday evening began at 6:50. Fr. Coombs claimed he arrived at the dining hall at six to find no such dinner in formation. He expressed doubts that all those who attended had been given advance notice.

4.) A receiving line was never formed at the ball Saturday night. He and several other college officials attended the dance after receiving invitations to be members of the line. None of them were ever approached during the evening to form the line with the result that it wasn't formed and no

Science Writers To Compete

Manuscripts are now being accepted as entries in the scientific writing contest being sponsored by the Biology Club. The purpose of the contest is to promote interest in the field of science among the students of St. Michael's.

TWO WINNERS

Competition is open to all students. Papers submitted may treat any aspect of the physical and natural sciences either technical, social, political, philosopical or economic. Entries should be between 1,500 and 3,000 words. The deadline for manuscripts is March *31st*. The results will be announced shortly after Easter vacation.

Two winning papers will be chosen; one from among Freshmen and Sophomores, another from the Junior and Senior Classes. Contestants should feel free to consult faculty members for assistance in writing their papers.

$10 PRIZE

A prize of $10 will be awarded for the best paper in

Stars In Our Eyes

Gee, dad, we got one up there! A wave of excitement parallel to the period of depression that followed Sputnik is sweeping the country. Once again we Americans are being observed with amusement and thinly veiled distain by our friends ---- and enemies. The rest of the world seems to get a great kick out of watching our almost studied irrationality. For example, the launching of Explorer is being accepted by the public as a vindication of, not only our scientific achievement, but of our way of life. Nothing could be more foolish. In the first place, we needed no vindication, and in the second place, Explorer would fail to provide it. After all, the only really important feature of the satellite launchings is the capability of the fuel powering the rockets, and the Russians are capable of firing satellites of over 1000 pounds, whereas ours weighs only 29 pounds. One need only to listen to radio and television broadcasts from Canada and read the comments of European newspapers to realize that our illogical and unstable reactions to world affairs are more damaging to the much worried over-prestige of the country than a hundred events such as Sputnik.

Dear Sir:

I wish to extend my appreciation to the Editor and Staff of the MICHAELMAN for the tribute to the Outing Club printed in the issue of February 1. Also I wish to express my thanks for the fine coverage of the Club's presentation of *Winter Knights* and the related activities. Indeed, the handling of Outing Club news by the MICHAELMAN staff for this year has been fair.

I would, however, like to bring to your attention the fact that nowhere in this last issue have I seen reference of Senior Bob Shea and Junior Dan Peacock as *Co-chairmen of Winter Knights*. Perhaps more than anyone else on campus I can appreciate the efforts put forth by these gentlemen, together with the rest of the Committee, and I am aware of my indebtedness and that of the Outing Club to them. In fact, anyone who derived benefit from the weekend must share this indebtedness.

At this writing all reports have not been made final, yet it does appear that *Winter Knights of 1958* was a happy occasion and a successful undertaking. My thanks to all those who made it possible.

Sincerely,
Joseph A. Powers

QUESTION FOR THE WEEK:

What does the student at St. Michael's College think of the system of having quarterly exams?

SENIOR PETE McMAHON, BAYONNE, N.J. -

The quarterly examinations are given too close together. There is a possibility that you might have two or three exams in a day. I feel that the professors should be assigned a certain hour to give his exam each quarter. This hour should be at a time where there is little chance that a student will have another exam on the same day. I feel that homework assignments should be stopped or lightened during the exam periods. I must say that the exams given are never unfair.

SOPHOMORE WILLIAM YOUNG, BRUSHTON, N.Y. -

I think that a system of having semester courses in every course should be adopted. One quarterly exam in each quarter plus a final exam on the whole year that is worth half the grade is not giving the student a fair chance. It is too much material to cover and to be responsible for in one exam. When exams are given they come all at once and it is difficult to find time to do all the other work. I don't think exams are unfair but the amount of work to cover is too much at times.

FRESHMAN EDWARD CRUESS, UNIONVILLE, CONN. -

I think that the quarterly exams are a good system of testing. The one complaint I have is that they seem to come all at once. Perhaps if the exams were given over a larger period of time the student would have more of a chance to prove himself on the exams. Also I think the grade for one quarter should be based upon more than one exam. The exams given are fair and we are notified of the exams in ample time.

JUNIOR THOMAS WHITBREAD, LONG BEACH, N.Y.

I feel that the exams are given too close together and should be spread over the full testing period. It is quite a strain when you have a quarterly exam, a quiz and a semester exam in three different courses on the same day. A system should be organized whereby the workload, such as homework, quizes and long reading assignments should be cut down or stopped during the period when exams are being given. Also basing a quarter's mark on one test is unfair to

The Thrust Of Truth

In today's world of ideas, gentility has become de rigueur. To duel in their arena your foil must be buttoned and your pillows must be soft. The epethet "liberal" has replaced the Bronze Star. And the High Command has become obsessed with the etymological background of their "medal". All things have become free from censure. Ideas need no longer to meet even the standard of truth.

A recent and outstanding example of this is the controversy at Princeton. Let us look at the essential facts and divorce them from that particular environment. Let us assume that you are an individual to whom the spiritual well-being of others has been entrusted. While outside your care they are being taught the following; "I believe in no religion at all....Since the world is not ruled by a spiritual being, but rather by blind forces, there cannot be any ideals, moral or otherwise, in the universe outside us....The Catholic Bishops of America propose as a remedy; a return to believe in God and in the doctrines of Christian religion...they have that kind of unconscious dishonesty which consists in lulling oneself with opiates and dreams." What would you do? Ignore it? Make abstract remarks on the same subject without referring to it? Or would you attack the statement and show how and wherein the maker errs? If you wish to remain in the arena, don't do the latter! This was the sin of Father Hugh Halton, O.P., M.A., D. Phil. Oxon. (his object, Prof. Walter T. Stace, by whom the above statement was made). So if you are faced with a similar situation and do not wish to offend the etiquette of the Academe, do not do as he did. For remember, you too may Haltonized. Or maybe you too prefer *real* freedom.

A Debt To Be Paid

The Student Council desires power over student affairs, and as our elected representatives, they ought to have some power. But, certainly the Council should not shirk its responsibilities.

Some weeks ago incidents of students walking out on checks down-town were reported to the Council. The Council listened - felt bad - said so - then adjourned. As far as the stores involved are concerned, they were robbed by Michaelmen. It is not alone our pilfering bethren who were blamed - we all were - as a group. "Michaelmen equals Thief."

Obviously, there is only one way that we, the student body, can vindicate ourselves. Through our representatives. It is the council's job to clear *our* name, to pay *our* debt. If the money is itself the issue, let the thieves reimburse the Council. If the Student Council would speak for us, let it do so now - let it pay our debts - let it clear our names. Does it not mind being the representatives of a group, called thieves?!

CAUTION PROCEED WITH CARE

...when you think you're getting a diamond "bargain..."

This is the time for cool, clear thinking! Is this really the diamond for you? Remember, many factors which determine a diamond's beauty and value cannot be seen by the unaided eye. It takes experts with instruments to judge the cutting, the clarity, the color. Our name stands for trust and reliability...we can show you exactly how we judge a gem's value. So proceed with care when you think you've found a "real buy."

Interclass Debate Topic Assures Lively Discussion

by Fred Englert

Although the "St. Michael's Plan" limits electives, students are willing to argue the subject. It will be debated in the interclass debating tournament scheduled for February 25, 26, and 27.

Subject of the interclass debate tournament will be: Resolved that the free elective system of studies, except for English and Theology, should be instituted at St. Michael's College."

General chairman of the tournament will be Hank Fortier. Helping the general chairman in the selection of teams will be Ed Biron, '58, Paul Fisher, '59, Dave LaMarche, '60, and Joe Mastromotto, '61, acting as class chairmen.

Other committee heads running the tournament are Charlie McManus, Paul LoRosso, and Fred Englert taking care of the timekeeping, schedules, and publicity.

INTERESTED DEBATORS

It was announced by the class chairmen that many students have already voiced desire to enter into the tournament. They are: Freshmen; Joe Rowan, Kev Bergen, Lou Boule, Bob Pellegrine, Bill Kern, Philip Glynn, Paul Geary, and Fred Burkle; Sophomores; Dave Dowd, Tom Sheridan, Hank Sessa, and Jack Donahue; Juniors; Mark Kennedy, Bill Casey, Gene Violette, Jerry Curran, Jim Canavan; Seniors; George Latimer, Leo Fortin, and John Steele.

Those classes having more than the four debaters will have a preliminary debate between themselves to choose the most prepared team to compete in the finals.

Winners of the tournament will earn points for their class toward the Victorious Knight trophy.

Russian To Be Offered Students Next Semester

St. Michael's ever growing curriculum will receive a new addition this fall. A two year course in Russian will be added to the Modern Language program.

This raises the number of modern languages that can be studied at St. Mike's to four. The other three are Spanish, German, and French, in which a degree maybe obtained.

SIX CREDIT COURSE

Six credits will be earned for a full year's study of the course. Credit will not be given for a single semester.

Rev. Gerald E. Dupont, S.S.E., Academic Dean, said the immediate reasons for the beginning of the Russian Course are that a teacher on our staff (Mr. Simard) is extremely anxious to teach Russian and a number of students have expressed a wish to learn it.

Junior Weekend Bands Announced Soon

The name of the orchestra for Junior Weekend 1958 will be released on Friday, February 28 in the "MICHAELMAN". This announcement was made today by Paul Lombardi, publicity chairman for the Weekend.

At the same time, Lombardi stated, an advance sale of tickets will be initiated. Students will be able to place a deposit on their ticket for the biggest weekend of the year to insure reservations.

Further information concerning "Oklahoma", which is the theme for this year's Weekend, will be released in installments at future dates. "However", Lombardi pointed out," plans are moving along on schedule and if all goes well, Junior Weekend will be excellent. I can only say that it promises to be radically new in some phases, which I am confident will add to the enjoyment of all."

The Junior Weekend Committee has been meeting weekly since September and more often when necessary. In addition, each sub-committee has been meeting periodically with its chairman to organize the various phases of the Weekend to insure its success.

The members composing the Junior Weekend Committee are the Co-Chairmen Jim Canavan and Jim Carroll, Assistant Chairman Jim DesRoches and and the following sub-committee heads; Dick Manning, Decorations; Jim Shanley, Tickets; Jerry Curran, King & Queen; Jack Dillon, Friday Evening; Bill Shaughnessey, Reservations; Larry Clifford, Fund Raising; Dick Fanelli, Music; Pete Feary, Favors; Paul Fisher, Special Events; Albie Brault, Raffle; Charles Gallagher, Treasurer and Paul Lombardi, Publicity.

Seniors Lead Battle For Victorious Knight

by Fran Makula

During the past two years, one of the greatest plans for athletic activities on campus, and the ultimate goal of these activities, has been slowly shoved into the darker recesses of a cabinet gathering layers of dust.

BACK HISTORY

After football was dropped as a major sport, an interclass sports program was instituted to fill the gap. This program, which now includes such activities as debating, writing, and dramatics as well as indoor and outdoor sports, is for each and every individual student working together with his classmates for a class victory.

About four years ago, Fr. Duford, then Dean of Men, had a custom-made trophy instituted as an incentive for the inter-class program. This trophy, known as the Victorious Knight Trophy, would be awarded to the class with the greatest number of points compiled, and would remain in their possession until another class could prove themselves worthy of the honor. However, due to Fr. Duford's illness during the past few years and the departure of Fr. Stankewicz the Victorious Knight has almost been forgotten.

REBIRTH

During the past month, a committee comprised mainly of seniors and juniors who remembered the "old Knight", have organized to reinstate the "Knight" on its pedestal of honor. The committee has plans of placing the "Knight" on display in the college bookstore and acquainting underclassmen of the "Knights" meaning. Along with this, the committee has revised the inter-class point system. This system will be published at a later date.

STANDINGS TO DATE

The Seniors have seemingly not forgotten the "Knight" as they are making a strong bid to claim the honor of having their class year inscribed on the "Knight". They are leading in the race with 68 points after taking the football championship and are in the process of capturing the basketball title.

Freshmen are in second place with a total of 55.5 points, placing second in the football and snow sculpturing while the Juniors are third with 43 points. The Juniors placed third in football and first in the snow sculptoring. The Sophomores, in last place, have a total of 30 points.

Dr. Fayer Speaks This Evening

A man who spent twenty years of his life in Russia will deliver a lecture tonight at 8 P.M. in Science 107.

Dr. Mischa H. Fayer, chairman of the Russian Department at Middlebury College will speak on "Russia Revisited."

RESIDED IN RUSSIA

Born in New York of Russian parents, he was taken to Russia by them at the age of two for a visit. However, World War I and the Russian Revolution of 1917 kept him in that country until he was twenty-two.

His parents managed to retain his American citizenship and he lived and studied in Russia as a foreigner. After returning to the United States, Dr. Fayer continued his graduate studies and obtained his Ph.D. from Columbia University.

'57 TRIP

The lecturer's talk will be concerned with his return trip to Russia in 1957. He covered some 8,000 miles within the U.S.S.R. and took colored motion pictures which he will show tonight. Dr. Fayer will compare the situation that exists in Russia today to when he lived as a youth in that country.

Dr. Fayer's talk is the third of the lecture series sponsored by the Student Council this year. All students are welcomed and encouraged to hear Dr. Fayer.

Henderson To Keynote Fourth Annual Career Day

The 4th annual Career Day, which is co-sponsored by the Student Council and the Placement Office, will commence on February 21 at 2:00 with an opening speech in Austin Hall by Mr. George F. Henderson.

In reply to the question of why Career Day is held, Mr. T.J. Kenney, the Placement Director here at St. Mike's replied, "Career Day is an attempt by the Alumni to provide practical insight into the variety of careers open to the college graduate and the specific under graduate preparation needed for success in a particular career."

Mr. Kenney also stressed the point that competition in the business world has become more and more acute, and that the experience and knowledge that has been experienced by the Alumni will be very beneficial to the under graduates at St. Mike's. The Alumni Counselors will outline the opportunities and challenges in their particular field. The majority of the Alumni that will conduct labs on Career Day are recent graduates of S.M.C. They, therefore, can suggest courses to take as electives that will benefit the student upon his entrance in the field of his choice.

KEYNOTER

Mr. George F. Henderson, employment manager and training director for Shawinigian Resin Corp. at Springfield, Mass., will be the keynoter for Career Day. Mr. Henderson received his A.B. in English in '42 at S.M.C., and his M.A. in English at Boston University. He is an active member in Springfield Chapter Activities.

Mr. Henderson is a former faculty member at Springfield College and at the High School of Commerce in Springfield. He is a member of the American Management Association and various other industry training associations. The "Keynoter" has written an article in the current issue of "Today's Speech".

CAREER COUNSELORS

The following Alumni who will conduct labs come from many distant locations. They are representative of the many concentrations that are available here at S.M.C.

Mr. Dan Alfieri of New York City, A.B. in English, '49, will speak on **Public Relations.**

Mr. Leo Contois of Burlington, Vermont, B.S. in Chemistry, '50, will speak on **Industrial Training Programs.**

Mr. Ray O'Keefe of New York City, A.B. in English, '50, a professor at Fordham Law School, and member of the New York Bar will speak on **Law.**

Mr. Jerry Regan of New Jersey, A.B. in Economics, '50, will speak on **Scientists in Government.**

Mr. Jack Britton of Boston, Mass., A.B. in Business Administration, '51, will speak on **Banking.**

Mr. Bob Buden of Albany, New York received his A.B. in '51, will hold a lab for for future **Salesman.**

Mr. Bob Donovan of Ware, Mass., A.B. in Social Studies '51 will talk on the **Educator.**

Dr. Martin E. Flanagan of Burlington, Vermont, received his B.S. '51 will speak to **Pre-Med Students.**

Mr. Ned O'Gorman of New York City, A.B. in English '51, a poet and lecturer will talk on **Creative Art and Literature.**

Mr. D. Ross Warren of Montreal, Canada, received his A.B. in English '53 a Journalist, will speak on **Journalism.**

Mr. Al Scivia of Poughkeepsie, New York, A.B. '56 is a Research Mathematian for I.B.M. will talk on **Electronics and Math.**

Any Michaelman who attends these lectures will receive excused cuts for the class he misses on the 21st.

Club, 60 voices strong, will sing in **Swanton, Vt.**, on February 23. The concert is under the auspices of the Holy Name Society of the Nativity Parish. The program will be similar to the one which the Michaelmen sang so successfully earlier this year at the **State Teachers College** in **Castleton.**

A $2000 gift from the **Gulf Oil Corporation** was announced today by Very Rev. Francis E. Moriarty, S.S.E., president of **St. Michael's College.**

A check for the unrestricted grant was presented to **Fr. Moriarty** by **John H. Bero,** district manager in Burlington for the Gulf Company.

Elections will be held on Monday, February 10, in Austin Hall from 11:30 A.M. to 2:00 P.M. for the **Sophomore Class** to elect a representative to fill a seat in the **Student Council** recently vacated. **John Wyman** and **Michael Gelinas** were nominated at a recent class meeting.

At the same meeting, new business delt with financial suggestions and preparations for the **Class of '60's Junior Weekend.**

Winner of the high fidelity phonograph which the **Junior Class** raffled-off for the benefit of the **Junior Weekend** was **Mr. James Wood** of Washington, D.C. **Jack Dillon** was the one who sold **Mr. Wood** the ticket.

Al Brault, chairman of the raffle, said, "on the whole, the raffle was fairly successful, and I would like to thank everyone here at St. Mike's who helped us in our efforts to raise money for the coming weekend."

Tim Walsh was instrumental in making the raffle a success, said **Brault.**

WSSE's entire staff has been temporarily revamped. The purpose is to have experienced men in control of the radio station to supplement the actual staff which will be graduating this Spring. These new officers have only acting positions and formal elections will be held in the Spring as is customary. **Vic Grenon,** '59, is station manager in place of **John Munroe,** '58; **Ed Fisher,** 58, holds the position of program manager in **Mike Hebert's,** '58, place; **Dave Powell,** '59, is Chief Engineer, formerly **John Haggerty,** '58; **Neil Kelly,** '61, is Chief Technician, formerly **George Raab,** 58.

Said **Grenon,** "our most ambitious achievement so far is to have made it possible for the station to broadcast to all buildings on campus."

George Latimer, president of the **Senior Class,** has written an article for the forthcoming issue of the **Lance** as a memorial to **James Gafga,** their classmate who died recently.

Said **Latimer,** "His closest friends felt that a memorial portraying how Jim really was, living with us here, should be written in an informal style."

each division. Judging will be done by Fr. Sullivan, S.S.E., Dr. Lemaire, and Dr. Fairbanks. The winning papers will be submitted to the *Lance* for publication at the editor's discretion.

The contest is under the management of moderator Prof. John Hartnett and club officers Bill Carey, Pres.; Paul Lombardi, V. Pres.; and Jim Shanley, Sec.-Tres.

Those interested are asked to submit their names to Paul Lombardi, Alumni 305, before Feb. 12. They will be under no further obligation.

apology was ever offered.

5.) A special ceremony for the blessing of the skis at the Skier's Mass Sunday morning was not enacted due to the absence of one individual. Again, no apology was offered.

6.) The breakfast following the Mass was prepared for 200 persons. Less than 50 attended. The dining hall again picked up the tab.

The blame for these occurences, he stressed, may be placed solely on lack of planning and failure to accept mature advice. Acknowledging the social success of the Carnival, Fr. Coombs attributed this in large part to the "fine weather".

At the close of these remarks, Ed Cashman, Outing Club Prexy, asked Fr. Coombs for a copy of them so that the Outing Club may submit a reply next week.

In the previous business undertaken by the Council, two motions were passed. The Debating Club was granted a $154 budget for the second semester and the German and Spanish Clubs were recognized as Organized Clubs.

LeBlanc Speaks On Sales Topic

Mr. Ernest Leblanc will be guest speaker at the Communication Arts meeting on Wed., Feb. 12. He is manager of the Forest Hills Factory Outlet in Winooski.

Mr. LeBlanc's topic will be "The Revolution in the Department Store"; dealing with the scientific sales planning behind the sales program of such large stores as The Factory Outlet.

SUCCESSFUL BUSINESS

"This is the plan which avoids selling to customers but allows them to shop at their own freedom," said the manager of Vermont's largest department store. "It has been tremendously successful".

Rev. Edward Foster conducted this week's laboratory. He is the business manager of the *Vermont Catholic Tribune*. His topic was on "How a Newspaper Makes Money."

Next week's speaker, Mr. Leblanc, attended St. Edmund's High School in Swanton, Vt., where he was a classmate to Fr. Dupont, Fr. Martel, and Fr. Paulin, S.S.E.

Gretkowski Paces Knights to Nowhere

The Broken Fungo

This dear readers is a swan-song. (No, I have not befallen lung-cancer). The object of this Obit, is the column. While it has been said that literary-wise it resembles Elsa Maxwell's Memoirs, it has never been intended to be a "Reck" on anyone or any institution. The names in this column have appeared because I felt that these people have had an abundance of humor to see the nature of my "Attacks". They have, to a man, proven me correct.

While on this vein, I want to say that no criticism or "toning down" has even been intimated by the Staff or by Father Gopaul. He has shown the utmost in patience and on many occasions has offered "To go bail". To use the idiom, he has been grand. There is no Sen. Watkins and "Farrellism" is not the issue, for indeed there is no issue. Both myself and the parties concerned want what is best for the paper, so it is in that light that I have complied with their wishes.

It is with this in mind that I close for the present time. As for The Broken Fungo, "May it rest in peace."

Corskie Wins Interclass Downhill

By RICHARD HENNEBERRY

John Corskie of the Juniors captured the first half of the Interclass Ski Competition as he took the Underhill downhill course in twenty-seven seconds last Saturday. He was followed closely by Sophomore Tony Bowen in twenty-eight seconds and Junior Pete Taylor in twenty-nine seconds.

The race was held on the open slope at Underhill and the line was controlled by four gates. The course proved fairly tricky as a series of bumps on the steepest part of the hill threw six of the twenty-seven competitors. A crowd of about two hundred "Winter Knights" weekenders witnessed the races under sunny skies and pleasant temperatures.

START DELAYED

Due to the late arrival of many of the racers and some trouble with the timing system, the downhill, originally slated to start at 1:30 P.M. did not get under way until 3:20 P.M. This forced the postponement of the slalom which was scheduled to follow the downhill. If enough interest is displayed the slalom will be held at a later date.

JUNIORS AHEAD

The Sophomores only showed up with three men on their team so only the best three times of each team were counted. The Juniors are ahead in the contest for the fifteen interclass points as of now with a total time of eighty-six seconds, followed by the Freshmen with ninety-one, the Seniors with ninety-two, and the Sophomores with ninety-three seconds. When the Slalom is held the points will be awarded on a combined basis. The Juniors pocked up four points Saturday on Corskie's first and Taylor's third, and the Sophomores two points on Bowen's second place.

Results are as follows

FRESHMEN	
Boisseau	30 sec.
Meunier	31 sec.
Amerman	30 sec.
SOPHOMORES	
Bowen	28 sec.
Tierney	30 sec.
Armstrong	35 sec.
JUNIORS	
Corskie	27 sec.
Taylor	29 sec.
Fearey	30 sec.
SENIORS	
Gorman	30 sec.
DiBiase	30 sec.
Cashman	32 sec.

Nason Sparks Cadet Rally Big Hank Shines In Loss

Before the whole Cadet Corp. of Norwich and a very few loyal Michaelmen, the Purple Knights went down to their first State defeat in three years; 60 to 54.

GOOD START

St. Mike's pulled into the lead right away and stayed there throughout the first half which ended at 24-22. Norwich, who used a zone all the way, caused the Knights to shoot from the outside where they could not seem to find the range. As a result most points were made on tap-ins by Hank Gretkowski (25 points) and Moose Zeitler who picked up 16.

Mike Nason and Steel led the way for the Kadets in the second half. Nason leading the Kadets in scoring with 25 and Steel getting all his 9 points in the second half.

POOR FOUL SHOTS

The Knights out-scored Norwich from the floor 23-22, but on the foul line it was different; Norwich made 14 for 20 (70%), while St. Mike's was 8 for 14 (57%).

As a result of the loss the Knights have a record of one and one in state play and an overall record of 10 and 5, with 4 state games remaining. Two of the remaining games are with Middlebury, and the other two are with Vermont, on Feb. 12 and 26, which could be the State Championship itself.

WATCH OUT FOR VERMONT!

N.Y.Giants To Train On West Coast

Mr. John Mara owner of the New York Football Giants, informed St. Michael's College on Monday, that the Giants would not be able to hold their summer practice camp here this year. The reason he said was that since the Giants did not win the NFL championship last year, they could not schedule any pre season games in the East. Since their first two pre season games are on the west coast, it would be imperative that they train in the same climate.

The Giants who have practiced on the Hilltop for the past two seasons 1956-1957, have attracted many summer tourists to St. Michael's campus. Besides this they won the NFL Championship in 1956 and Mara attributed much of his success to the excellent facilities of St. Michael's College.
